Ms. Rincon,

I understand you have just taken over as the General Manager of MV Transportation. Please see the issues we have to deal with when we request a special trolley. Prior to the email below, I also sent your staff the monthly calendar ahead of time.

I specifically sent your staff a special map and instructions for today's special trolley route. However, now we have our board president Eric Eisenberg and a crowd of people standing out in the rain at the intersection of 6th Street and Mesa Street because someone got the day confused (according to dispatch).

This looks very bad for our organization.

Good afternoon,

Happy New Year!

Attached is the map for this Saturday's trolley route. Please note that the person who requested this is my Board President Eric Eisenberg. His contact number is 310-308-3122.

Please have the driver be at the trolley stop at the corner of 6th and Mesa at 10:00am.

Thank you.
